

Strathendrick Golf Club

16thth September, 2014

Dear Member,

As some of you have already heard we are again short of members and the committee is trying to rectify the situation by all means available. In the meantime, we are being proactive and are doing our best to raise revenue by other means. During a recent committee meeting, which this time included our past captains, we decided to reintroduce the Bonus Ball which was very successful in 2011.

For those who were not members in 2011 this is a fun game using the Bonus Ball of the weekly lotto, which, we are sure, most of you are familiar with. To do this, we need a minimum of 49 members to play the game at a cost of £1 per play for 52 weeks. You are allocated a number from 1 to 49, which will remain with you for 52 weeks and at each lotto draw on Saturday evening, the bonus ball drawn will be the winner. The number allocated to you will be by fair means and you are most welcome to be present at the clubhouse when the numbers are drawn. Every week's lotto draw will raise £49.00 and if your number comes up you will win £25.00 and the remaining £24.00 goes to the club's funds. Just imagine four or five wins within the year would pay for a good part of your membership fees plus all the fun you will have in playing. A player can choose multiple numbers for additional stake.

We have a wonderful golf course and a club that gives us many hours of pleasure playing golf and meeting friends both new and old. Please participate if you can and secure a brighter future for the club. We would be obliged if you could confirm your willingness to participate by return e mail or letter so that we can gauge the number of members willing to join. We hope to start the BONUS BALL in the first week of October or sooner and so we will need your cheque for £52.00 well before this date. Please make your cheque payable to Strathendrick Golf Club. Payment can also be made via BACS, Royal Bank of Scotland, Sort Code – 83-17-39 Account Number 00258592. You can also pay by direct debit details of which will be sent to you if requested.
